RUDRESH JHA

54 Elgin Drive, Brampton, Ontario L6Y 2N5 ♦ (289)-952-6476 ♦ jharudresh93@gmail.com

PROFESSIONAL SUMMARY

- 2+ years of experience on JAVA development
- Participated actively in all aspects of software development life cycle
- Ability to adapt and rapidly develop in-depth knowledge of new technologies
- Effectively translate business requirements into functional and technical designs
- Strong analytical and research skills for improving existing systems and processes
- Patient, expressive, committed, innovative, analytical thinker and an excellent team player

TECHNICAL SKILLS

Programming Language:	Java, C, C++, PHP, X++, Shell Scripting, SQL
Technologies:	JSP, Servlets, JDBC, Java Beans, J2EE
Frameworks:	Struts, Angular JS, Hibernate, Web API
Web Technologies:	jQuery, HTML5, HTML, XML, CSS3, JavaScript, AJAX
Database:	Oracle 10, MySQL, MS SQL Server
Version Control Tools:	GITHub
Developing Tools:	Eclipse, NetBeans, Visual Studio, MS Office, MySQL Workbench
Operating Systems:	Windows, Linux, Mac OS

WORK HISTORY

Software Developer   March'17 - Present

CampusU – Toronto, Ontario

- Actively developing the web application based on JSP, Servlets, JQuery, Javascript and Database programming through JDBC that stored the data in MySQL server
- Involved in the analysis and design of the application using Agile methodology
- Front end of the web application is designed using HTML, HTML5, PHP and CSS using Netbeans
- Designed and implemented back-end business logic using Servlets and further using Servlets to manage registrations and profile
- Implemented J2EE standards, Model View Control architecture using Spring MVC Framework
- Developed a smart chat system using the concepts of Java and J2EE for the users to communicate internally
- Developed Web services to allow communication between application through RESTFUL Web services
- Implemented Hibernate for data persistence in Workflow screens
- Search interface provided for searching as per requirements and provided dynamic features using Ajax
- JUnit used to test write the test cases and used GitHub for version control

Environment: Java, J2EE, Spring MVC 2.5, JSP, JavaScript, Web Service, Hibernate 3.0, CSS, PHP, JUnit, AJAX, MySQL, UNIX, HTML, SQL Developer

RUDRESH JHA

54 Elgin Drive, Brampton, Ontario L6Y 2N5 ♦ (289)-952-6476 ♦ jharudresh93@gmail.com

Jr. Software Developer   January'15 – December'15
Indusa Infotech Pvt. Ltd.

- Established team connection and work in collaboration with various level of people in the chain of command and development was done on Java using Microsoft Dynamic AX 2012 R2
- Designed software components extending from development to design
- Established compatibility with third party software products by developing program for modification and integration
- Provided continued maintenance and development of bug fixes and patch sets for existing web applications
- Consistently met deadlines and requirements for all production work orders

Environment: Microsoft Dynamic AX 2012 R2, X++, SSRS Report, Rental Management System

Jr. Software Developer   January'14 – December'14
Dipal Global Service Pvt. Ltd.

- Independently worked on a project of Point On Sale that was basically a desktop application with database capable of storing a large amount of data using mainly AngularJS
- Designed application used Core JAVA, J2EE and MySQL database with apache web server
- Developed user interfaces using JSF, Prime Faces, HTML, JavaScript, JQuery
- Application was platform independent and database independent with the use of hibernate in the application
- Took actions that were consistent with available facts, constraints, and probable consequences

Environment: JAVA, J2EE, MySQL, AngularJS, Hibernate, JSF, HTML, JavaScript, JQuery

EDUCATION

Master of Applied Computing: Computer Science,   January'16 – April'17
University of Windsor - Windsor, Ontario

Bachelors of Technology: Information Technology,   June'11 – May'15
Charotar University of Science and Technology – Gujarat, India

CERTIFICATIONS

Java certified Professional   January'13 – December'13
Sunrise Training Academy – Ahmedabad, India
Certified training in Java and Advance Java

COMMUNITY INVOLVEMENT

Vice President   January'16 – April'17
Windsor Indian Students Association – Windsor, Ontario

IT coordinator   January'15 – December'15
Shreeji Foundation(Non Profit Organization) - Gujarat, India
